OBJECTIVE

Seeking entry level computer programming, or web development.

EDUCATION

Computer Science, Associates in Computer Programming February 2009 – May 2010
York Technical College, Rock Hill, South Carolina

Studies focused in application development, IT project management, multimedia design, technical planning, and business case analyses. Created working prototypes for numerous web site projects and desktop applications.

Computer Science, Certificate in PC Diagnostics February 2009 – May 2010
York Technical College, Rock Hill, South Carolina

Courses included basic operating system applications, PC hardware, diagnosing problems, and finding solutions. Studied internal components and intricate workings of various computer systems including PC and Apple. Analyzed physical structures and framework of computer hardware and operating systems.

TECHNOLOGY SKILLS

Application Skills

Adobe Photoshop CS 4, Corel Draw, MS Office Suite, Sony Sound Forge

Computer Programming Languages

C #, C++ (specialized), Java (specialized), XNA, Visual Basic .NET

Web Programming Languages

CSS, HTML (specialized), JavaScript, Perl, PHP, SQL, XML

Operating Systems

DOS, Linux, Windows Vista/XP/7 (and all other previous versions)

EXPERIENCE & EMPLOYMENT

Web Developer, York Tech Computer Club May 2009 – May 2010
York Technical College, Rock Hill, South Carolina

Create, update, and maintain site pages for www.yorktech.com/computerclub using CSS, HTML, and JavaScript. Coordinate with producers and designers for major site changes. Maintain internal tools for managing site structure, news data, and event photos. Assist with design efforts for site pages, content archival, photo galleries, video features. Provide technical support for usability issues and critical site problems, as needed. Also created many of the original

images used in the site's launch.

I/T Associate

February 2009 – May 2010

York Technical College, Rock Hill, South Carolina

Assisted students and staff with technical support relating to PC software and hardware problems. Responsibilities also included maintaining printers, updating software, monitoring student usage, escalating level 2 problems to help desk, writing schedules, setting up laptops on local wireless network, and tutoring students on Microsoft Applications.

Professional Dance Instructor

October 2006 – March 2009

Fred Astaire Dance Studios, Charlotte, North Carolina

Taught a number of different ballroom dances to students. Choreographed routines, show numbers, and amalgamations. Planned and organized different custom packages, sales, scheduling, competitions, performances, trained new staff members, music editing for performances, host or DJ for dance socials, and I maintained the computer systems and website of the franchise.

Professional Dance Instructor

June 2005 – October 2006

A Step To Gold Ballroom, Raleigh, North Carolina

Taught a number of different ballroom dances to students. Choreographed routines, show numbers, and amalgamations. Planned and organized social events for students, updated student database, created flyers for marketing, trained new staff, and performed standard studio maintenance.
